

PRESS FACT SHEET / 2026.10.03

HIKARI-07 (Hikari) is an original bio-synthetic virtual idol. She is 20 years old and 148 cm tall. She releases original Japanese-language music, fashion and visual stories, and on X (@XivHikari) she records the small commotions of her everyday life in her own words. Cute, curious, and occasionally the cause of the trouble.
